CYENS
CENTRE OF EXCELLENCE

INNOVATION SERVICES

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No. 739578

This project has received funding from the Government of the Republic of Cyprus through the Deputy Ministry of Research, Innovation and Digital Policy

We are a leading hub for innovation, research, and entrepreneurship, driving growth and impact across local and international ecosystems.

Through our accelerators, incubators, venture studios, and state of the art facilities, we support startups and businesses at every stage, providing guidance, training, and access to networks, funding, and industry expertise.

Our mission is to bridge research, industry, and society, ensuring that innovation translates into real-world impact and sustainable growth.

1 Startup Support Services

CYENS Startup Support Services provide comprehensive guidance designed to assist founders at every stage of their entrepreneurial journey. From laying the foundation of a new business to navigating the challenges of growth, these services offer the tools, expertise, and resources needed to establish and scale ventures effectively.

2 Business and Technical Mentoring

CYENS Business and Technical Mentoring program connects founders with experienced in-house mentors who provide personalized guidance. Mentors offer strategic business advice to refine vision and operations while sharing technical insights to support informed decisions on product development, technology and innovation.

3 Roadmap & Marketing Support (Pre and Post Launch)

CYENS Roadmap & Marketing Support helps startups navigate pre- and post-launch phases by creating actionable go-to-market strategies and tailored growth roadmaps. CYENS support founders in reaching the right audiences, scaling effectively, and building long-term brand presence to ensure sustained success.

4 Training & Workshops

CYENS Training & Workshops offer tailor-made programs to strengthen key entrepreneurial, technical, and managerial skills. Through practical exercises, case studies, and interactive sessions, founders and teams gain actionable insights and the confidence to apply them, fostering leadership, technical expertise and sustainable business growth.

5 Intellectual Property & Legal Assistance

CYENS Intellectual Property & Legal Assistance helps startups protect, manage, and leverage their innovations. CYENS provide expert guidance on patents, trademarks, IP strategy, and legal structuring, ensuring compliance and safeguarding assets while building a strong foundation for sustainable growth.

6 Local & International Network Access

CYENS Local & International Network Access connects startups with investors, corporate partners, and global collaborators. This network provides funding opportunities, strategic partnerships, and market insights, helping founders accelerate growth, expand their reach, and build long-term, sustainable connections.

7 Funding Assistance (Seed & Growth Capital)

CYENS Funding Assistance helps startups secure capital at every stage, from seed to growth funding. CYENS provide expert advice, connect founders with investors, and offer strategic support to ensure successful fundraising and sustainable business growth.

8 Cyprus-Based Operational Support

CYENS Cyprus-Based Operational Support provides startups with practical, on-the-ground assistance to simplify local business setup and operations. From administrative and regulatory guidance to logistical support, CYENS help founders focus on growth while navigating Cyprus's legal, financial, and operational landscape efficiently.

9 Corporate & Legal Support for Startups

CYENS Corporate & Legal Support for Startups offers tailored guidance on legal, compliance, and organizational matters. CYENS help founders structure their businesses effectively, stay compliant, minimize risk, and build a strong foundation for sustainable growth, allowing them to focus on innovation and scaling with confidence.

10 Local Funding Advice & Regulatory Alignment

CYENS Local Funding Advice & Regulatory Alignment helps startups navigate Cyprus-specific funding opportunities and regulations. CYENS provide guidance on grants, incentives, and compliance, enabling founders to make informed decisions, minimize risks, and grow sustainably within the local market.

11 Proposal Development & Consortium Creation

CYENS Proposal Development & Consortium Creation helps startups craft compelling proposals and build strategic partnerships. From drafting persuasive proposals to connecting with consortium partners CYENS support startups in securing funding, collaborations, and growth opportunities.

12 Access to Entrepreneur & Talent Networks

CYENS Access to Entrepreneur & Talent Networks connects startups with skilled founders, employees, and collaborators. By facilitating introductions, CYENS help build strong teams, foster mentorship, and create strategic partnerships, providing the talent and connections needed to innovate, grow, and succeed.

13 Risk Analysis in Business Development

CYENS Risk Analysis in Business Development helps startups identify, assess, and mitigate financial, operational, market, and strategic risks. By providing actionable insights, CYENS enable founders to make informed decisions, build resilience, and develop sustainable growth strategies for long-term success.
